

Tax Relief

- ▶ To enable people to live at home independently for as long as possible, there are a number of Homecare relief packages available, for example, Homecare grants.
- ▶ Tax relief can be claimed subject to conditions. Please contact one of our advisers for further information.
- ▶ As a HSE recognised service provider the Homecare packages we offer are exempt from VAT, making our services even more cost effective than before.

homecare

Evidence has shown that people are happier and live longer within their own home. All our programmes are designed to promote independence within a safe and comfortable environment.

Assisted Living

This programme is designed to assist the client with everyday activities.

1. Personal hygiene
2. Social outings
3. Help with daily household chores, for example cleaning and shopping.

Respite/ Convalescence Care

This programme consists of 24 hour care from 1 day up to 6 weeks in the client's home or a health facility.

Continual Care

This is around the clock care for an unlimited period in a care facility or at home.

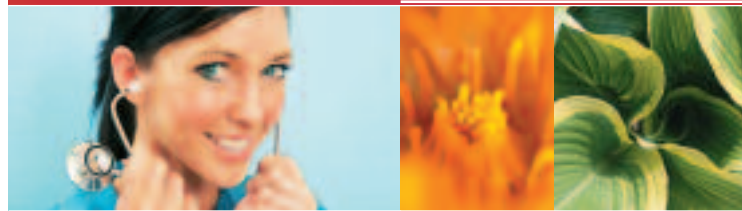

Palliative Care

We have highly trained carers and registered nurses who can work under the directive of the medical and palliative care team.

Alzheimer's and Dementia.

As a loved one becomes more forgetful, you worry about their safety and independence. We are here to help. We can provide whatever level of care required from very experienced caregivers.

Put your mind at rest, call us today and arrange a free consultation with one of our healthcare professionals.

The percentage of elderly people in the population is projected to increase 1/3 by 2020.

As the ageing population increases so does the demand for elderly assistance and care.

The Benefits of Using Servisource Care

- ▶ Our specialists take great pride in setting up care packages specific to meet each client's needs.
- ▶ The initial consultation is free.
- ▶ Our caregivers are carefully vetted and highly qualified, delivering the highest standard of care in a health facility or at home.
- ▶ We can provide from 2 - 24 hour care depending on the client's needs.
- ▶ We are approved by the Health Service Executive.

We have an on-call service and therefore we can provide care at short notice if required.
